

VIRGINIA TECH INTERNSHIP PROGRAM IN HONG KONG 2017

25th May - 22nd July 2017

Program Cost USD 5,750.00 (doesn't include airfare)

Virginia Tech, Pamplin School of Business is proud to partner with the Global Academic Ventures to offer this cutting edge, customized internship program to our undergraduate students.

Pamplin School of Business recognizes the importance of a global education in today's ever changing world, and encourages all VT students to grow their understanding of and connection with Asia. This program is located in one of Asia Pacific's business hubs, providing opportunity for students to expand their career horizons with an intensive internship in Hong Kong.

Forbes ranks Hong Kong as the third most influential city in the world, after London and New York, with the majority of the world's major investment banks, asset managers and insurance companies hosting their Asia Pacific headquarters there.

In 2040, the Chinese economy will reach \$123 trillion, or nearly three times the economic output of the entire globe. The IMF forecasts China's economy will grow by 7.7% this year and China has replaced Japan

as the world's second-largest economy. Furthermore, China is expected to contribute 40% of the world's growth in urban GDP between 2010 and 2025. It's an exciting time to get to know this vibrant city and be part of China's growth.

Hong Kong is fairly independent from mainland China and maintains its own currency and set of laws. In terms of living in Hong Kong, there's also a thriving social scene for expats and many expats travel around the region. It's a great place to grow your professional network.

To come on the Hong Kong program you MUST be earning credit through the internship. You must enroll in MGT 3754 Management Internships and Career Development. Please contact Barry O'Donnell, Pamplin School of Business for internship course information. Email: bodonnell@vt.edu

PROGRAM SCHEDULE

Thursday, 25th May

Depart USA

Friday, 26th May

Arrival into Hong Kong. Group transfer to accommodation provided to students arriving within set arrival window, otherwise detailed arrival instructions will be provided. Check in commences in the afternoon, with time to shower and change. Group welcome dinner in the evening. Overnight: Hong Kong

Saturday, 27th May

Breakfast is included at accommodation for students. Morning orientation, including a run through of the program schedule, distribution of transport passes, money exchange, and making contact with family at home. The group will then be given a Scavenger Hunt to familiarize themselves with Hong Kong, and free time to find internship locations. The evening is free. Overnight: Hong Kong

Sunday, 28th May

Breakfast is included at accommodation for students. Full day trip to the Big Buddha at Po Lin Monastery, including cable car transport, the Path of Wisdom and Ngong Ping Plateau on Lantau Island. The Big Buddha is the tallest seated Buddha in the world, and students will be able to visit the nearby Taoist and Buddhist temples. The group will be brought back to the accommodation, and the evening is free. Overnight: Hong Kong

Weeks 1 - 4: INTERNSHIP

Monday 29th May – Sunday 25th June

9:00am - 6:00pm: Students at their internship (office hours may vary). Weekend days are free for the students to take part in optional activities, study or explore more of the city. A catch up dinner will take place during weeks 1 and 4. Overnights: Hong Kong

Weeks 5 - 7: INTERNSHIP

Monday 26th June – Sunday 16th July

9:00am - 6:00pm: Students at their internships (office hours may vary). Weekend days are free for the students to take part in optional activities, study or explore more of the city. Overnights: Hong Kong

Week 8: INTERNSHIP

Monday 17th – Friday 21st July

9:00am - 6:00pm: Students at their internships (office hours may vary). A farewell dinner will take place during the week. Overnights: Hong Kong

Saturday 22nd July

Students to check out of accommodation and transfer to Hong Kong airport for their departure flight. A group transfer will be provided for those that are departing within the pre-determined departure window.

Internship Placement Process:

1. Complete and submit the Global Internship Application Form outlined on the next page.
2. Initial placement interview will be conducted on campus or via skype after acceptance onto the program and payment of the non-refundable \$500 deposit.
3. You may be asked to conduct a company interview. The placement team will be in touch with you to confirm details. Note: not every company requires an interview.
4. Internship placements will be disclosed as soon as possible. Please note that the placement process varies from student to student and is based on the companies' timelines.

Global Internship Application Form

An internship is an unpaid, training position that allows students to gain hands-on experience in a workplace environment relevant to their area of future career interest and current course of academic studies. GAV places students in organizations, companies, government agencies, non-profits, and other workplaces that will provide students a first hand look at what a career in their chosen field might be like and how the industry works in another country.

Please submit completed application forms with a recent copy of your resume to GAV via email: info@globalacademicventures.com

GAV would encourage students to submit their applications and deposits as early as possible. The firm application and deadline is 15th January 2017.

Payment: A one-time, non-refundable deposit of USD500.00 is due once your application has been approved. The deposit can be paid online or by check, and the details will be emailed to you when you are accepted onto the program.

Please note that once you have been accepted by GAV the rest of the program balance will be due by 15th March 2017. You can also pay this online or by check.

Internship Placement:

Please answer the following questions in a clear and concise manner.

1. Please describe the type of internship placement you are seeking. Be as specific as possible in terms of the field and industry and the type of opportunity that you would like (analytical, working with people, etc.) without mentioning specific company names.

2. Please describe how you feel you are competitive for this type of position. This may include previous work experience, either paid or unpaid, specific coursework, or leadership or volunteer experiences that relate to the internship position you are seeking.

3. Please explain how this internship experience relates to your future career. e.g., what are your goals for this internship placement?
